Adult Safeguarding Policy & Procedure

Introduction

Knutsford GROW is committed to ensuring that all contractors, volunteers, trustees and all beneficiaries are safeguarded in line with the provisions of the Care Act 2014 and the Mental Capacity Act 2020.

Adult Safeguarding means protecting an adult's right to live in safety, free from abuse and neglect. It is about people and organisations working together to prevent and stop both the risks and experience of abuse or neglect, while at the same time making sure that the adult's wellbeing is promoted including, where appropriate, having regard to their views, wishes, feelings and beliefs in deciding on any action.

It must be recognised that adults sometimes have complex interpersonal relationships and may be ambivalent, unclear or unrealistic about their personal circumstances. People have complex lives and being safe is only one of the things they want for themselves.

1. Scope of the Policy and Procedure

The aim of this policy and procedure is to ensure:

- the safety of adults at risk by outlining clear procedures
- that all contractors, trustees and volunteers within Knutsford GROW are clear about their responsibilities and are trained adequately
- service plans consider the need to safeguard adults at risk

2. Definition of Adult at risk

- has needs for care and support (whether or not the local authority is meeting any of those needs), and
- is experiencing, or is at risk of, abuse or neglect, and
- as a result of those needs is unable to protect himself or herself against the abuse or neglect or the risk of it

Within the services provided by Knutsford GROW adults at risk could be present in any group or session, so this safeguarding policy statement is applicable throughout all of Knutsford GROW's activities and provision. In the case of suspected abuse, initially coordinators, trustees or volunteers should raise an alert and submit this to the named Safeguarding lead who will contact the Cheshire East Adult Social Care see below, and other authorities as applicable. **NB Knutsford GROW's working presumption is all its beneficiaries are adults at risk.**

4. Safeguarding Procedure

First steps

If you think abuse has or may have occurred, act immediately. It is the responsibility of the person first becoming aware of a situation where there may be an adult subject to, or at risk of, abuse to make safe and deal with the immediate needs of the person. This may mean taking reasonable steps to ensure the adult is in no immediate danger and seeking medical treatment if required as a matter of urgency.

Do NOT discuss the allegation of abuse with the alleged perpetrator.

Do NOT disturb or destroy articles that could be used in evidence. Where an assault of some kind is suspected do not wash or bathe the person unless this is associated with first aid treatment necessary to prevent further harm.

Do NOT discuss concerns or disclosures with other members of Knutsford GROW other than the safeguarding lead.

If the allegation is about a Coordinator, Trustee or volunteer of any organisation, ensure that the allegation is properly managed. Tell your safeguarding lead or another e.g. Trustee Treasurer if the safeguarding lead is unavailable or is implicated in the allegation.

Contact the police if it is thought a crime has just been committed. Telephone 101 or 999 in an emergency.

Record details of the allegation as soon as possible on an incident form that can be kept secure.

Include:

- a) the allegation or concerns, including the date and time of the incident
- b) what the adult at risk said about the abuse and how it occurred or what has been reported to you
- c) The appearance and behaviour of the victim

- d) Any injuries observed
- e) Whether any dependants are also at risk

If the allegation is against a coordinator, a volunteer or a beneficiary of Knutsford GROW, Knutsford GROW will ensure that any allegations made will be dealt with swiftly and in accordance with these procedures:

- The coordinator must ensure that the vulnerable adult is safe and away from the person against whom the allegation is made
- The named person for safeguarding should be informed immediately
- In the case of an allegation involving the named person, alternative arrangements should be sought to ensure that the matter is dealt with by an independent person. (Note: this could be a committee member, Trustee or anyone within the organisation that is in a senior position within the organisation and believed to be independent of the allegations being made)
- The named person should contact the local authority social services team for advice on how to proceed with the immediate situation. Outside of working hours the Emergency Duty Team can give advice and/or in the event of an emergency situation arising, the police
- The individual who first received/witnessed the concern should make a full written record of what was seen, heard and/or told as soon as possible after observing the incident/receiving the report. It is important that the report is an accurate description. The named person (if appropriate) can support the worker during this process but must not complete the report for the worker. This report must be made available on request from either the police and/or social services
- Regardless of whether a police and/or social services investigation follows, Knutsford GROW will ensure that an internal investigation takes place and consideration is given to the operation of disciplinary procedures. This may involve an immediate suspension and/or ultimate termination of contract dependant on the nature of the incident
- Knutsford GROW will also inform the Charity Commission and report this as a serious incident even if this is an allegation or suspicion as soon as is reasonably possible. This report will outline how the trustees will investigate this and actions taken to prevent this from reoccurring
- Whistle blowing will not prejudice the position or prospects of Knutsford GROW Coordinators or volunteers

It is the responsibility of the Safeguarding Lead to decide without delay on the most appropriate course of action once the allegation or suspicion of abuse has been raised.

Deal with any immediate needs:

- a) Ensure that the victim of the alleged abuse is safe
- b) Ensure that any necessary emergency medical treatment is arranged
- c) Ensure that no forensic evidence is lost
- d) If the alleged perpetrator is also an adult at risk, ensure that another Trustee is allocated to attend to their needs and ensure that other beneficiaries and volunteers are not put at risk.

Clarify the facts stated by the coordinator must NOT in any circumstances discuss the allegation of abuse with the alleged perpetrator or, if possible, the victim.

Check that the circumstances fall within the safeguarding adults' procedure i.e. meeting the definition of abuse as defined in this Policy and Procedure.

Address issues of consent and confidentiality, taking care to not promise confidentiality.

Refer

A formal referral must be made on the same day as the alert is raised when:

- a crime has been, could have been, or yet could be committed
- There is a suspicion that an abuse has taken place
- The allegation involves a child
- The alleged perpetrator is themselves an adult at risk
- They are unsure if abuse has taken place
