

Knutsford GROW

Statement of intent on Equal Opportunities

Knutsford Grow recognises that everyone has a contribution to make to society, and that everyone has a right to equal treatment. We aim to ensure that members of this charitable organisation, volunteers or individuals to whom we provide a service are not discriminated against on the grounds of...

- age
- class
- employment status
- physical or learning disability ,mental health issues
- political belief
- race, colour, nationality, ethnic or national origin
- religion
- sex, marital status or caring responsibilities
- sexuality
- transgender people
- unrelated criminal convictions

Knutsford Grow management committee will regularly review its policy and practice on Equal Opportunities and will work with staff, contractors, beneficiaries, members and volunteers to ensure that discrimination on the above grounds does not occur.

If you do not agree with this policy or would like to speak to someone about its content, please contact any member of the committee or the project co-ordinator immediately
